Dear Parents/Carers

RE: Coronavirus Update

Sponne School will be closed to students at the end of today until further notice. However, we will be maintaining a skeleton staff to support the children of key workers and our most vulnerable children.

The advice from the government states that every child who can be safely cared for at home should be, so that we can minimise the spread of the virus. However, if this is not possible for the above children then Sponne will be able to accommodate them. The key workers are parents who work in health and social care, education and childcare, key public services, local and national government, provision of food, public safety and national security, transport and finally utilities, communication and financial services. If you are unable to work if your child remains at home then please let me know by email on imassey@sponne.org.uk and we will organise provision for you.

All students working at home will be set work on Google classroom. There may be some initial issues with this as we all become used to this way of working so please do keep in contact with your son/daughter's teachers and their tutors. Try to maintain the routine of a normal school day for them so please do also encourage them to exercise when they would have had PE lessons. Be aware that some staff will be supervising at school on some days and others have their own childcare issues so do be patient with us during this time.

Can I take this opportunity to thank you all for your kind words and support during recent weeks in what is for us all very difficult times. Rest assured that we are still here to support you so do keep in touch and do not hesitate to contact me should you have any queries.

Yours sincerely

Iain Massey
Headteacher
