

**Reviews of marking - centre assessed marks  
(GCSE controlled assessments, GCE coursework,  
GCE and GCSE non-examination assessments and  
Project qualifications)**

Sponne School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Sponne School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. Sponne School will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body. Candidates will be advised of their centre assessed marks 4 weeks prior to the deadline for submitting marks to the awarding body.
2. Sponne School will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment.
3. Sponne School will, having received a request for copies of materials, promptly make them available to the candidate.
4. Sponne School will provide candidates with sufficient time (1 week) in order to allow them to review copies of materials and reach a decision.

5. Candidates that wish to submit a request for a review of the centre's marking must do so no later than 3 weeks before the deadline for submitting centre assessed marks to the awarding body. Requests will not be accepted after this deadline. Requests **must** be made in writing.
6. Sponne School will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, one week before the awarding body's deadline.
7. Sponne School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
8. Sponne School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. Sponne School will inform the candidate in writing of the outcome of the review of the centre's marking.

The outcome of the review of the centre's marking will be made known to the head of centre. A written record of the review will be kept and made available to the awarding body upon request.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.
