Dream Believe Achieve

Friday 16th June 2023

Dear Parents/Carers

Uniform Consultation

The warm and sunny weather this week has been really nice though it has made afternoons a little more uncomfortable at school. Fortunately, the move allowing students to choose not to wear a blazer and the use of our air conditioning areas has alleviated this to some extent. I will continue to monitor the forecast and will let you know if we need to relax any further on uniform as we did last summer when the temperatures rose above 35 degrees.

Unfortunately, one of the negatives of the good weather this week has been the number of girls wearing short and inappropriate skirts. Could you please reassure yourselves that your daughter is wearing appropriate clothing for a school setting and we will let you know if this is not the case next week when the weather looks set to be less warm with some occasional rain.

Following up on a previous letter, I wanted to let you know that the school council has now discussed possible changes to our uniform for September 2023 to ensure that it is simple, clear and affordable. This will now lead on to a short consultation for all students and parents and we would really appreciate your feedback. The following [link](#) will take you to a Google form which should take no more than 3 minutes to complete. Please do this by Wednesday 20th June. There is space for you to make further comments should you wish, though please do not hesitate to contact us if you wish to discuss your ideas in more detail.

Yours sincerely

Iain Massey
