

OLEVI – ADVANCED POWER OF COACHING

Facilitated by James Rawbone and Sara-Jane Godfrey

This course is designed for teaching and non-teaching colleagues within Primary and Secondary settings who are stepping into or are already taking a lead in coaching.

Whether you are an experienced coach or responsible for developing and supporting a team of coaches, this programme will strengthen your impact and confidence.

Prerequisite: Participants must have successfully completed the Introduction to Coaching training prior to attending the APOC programme.

“

This training will enable you to utilise advanced techniques to lead effective coaching across groups and teams.
